

**EVERY DOG
DESERVES A
HAPPY HOME!**

Special appeal for Alex

Wagtails Rescue is a small dog rescue centre based in Essex, dedicated to rehoming any dog given up by people unable or unwilling to care for them any longer.

Alex (pictured above) is a 5 year old brindle and white American Bulldog and unfortunately has just come back to us from her new home. We hope that her perfect household is just around the corner ready to offer her a chance. Alex is a big girl with a big personality to match. She is loyal, walks well on the lead and likes other large dogs, but she does like to get her own way and so will need discipline and patience within a home already well experienced with breeds of her size. She has already been spayed and vaccinated.

If you feel you can offer a home forever, or if you would like any further information, then please call Corinne on 01277 229739 or email wagtailsrescue@hotmail.co.uk

How you can help Wagtails Rescue!

Adopt a dog

Our website contains a list of dogs looking for their forever home. We carry out a home-check and require a donation before any dog can leave us. Please contact us for further details about any of our dogs!

Dog fostering

If you are an Essex-based experienced dog owner & feel you could help one of our dogs by giving it a temporary home we would love to hear from you! All food & medical expenses would of course be covered.

Fundraising

As a non-profit rescue centre, we are always looking for ways to help raise funds to feed and care for our dogs, and to assist with ongoing vet and kennel bills. Please get in touch if you think you can help us!
